A Message from the President

I can’t believe that I am in the last two months of my BNC Presidency. Although you will be approving the new Board of Directors at the May Annual meeting, I am happy to announce that Betsy Kunkel has offered to be your new President, and Wilson Wiedenheft has offered to be your new VP. I am so excited to be leaving the BNC in such capable hands. Attached please find the proposed slate of next year’s Board Members and Activity Coordinators. It is great to know that the BNC will continue to rock and roll with such dedicated people at the helm.

After two years it is fun to look back at what we have accomplished together.

One intriguing fact is that the BNC has grown from 163 to 262 (as of March 15) in the last 19 months.

We have added the following new activities: Documentaries, Sharing Your Bearings, Beer Tasting, Opera, Spontaneously Speaking, Golf, and Volunteerism to an already full calendar. And in addition to increasing our offerings, the number of attendees at our activities has also grown - 80+ people at our last few Meet and Greets, 80+ RSVPs for our January Neighborhood Wine Tasting (held in three homes), 35-40 people at our recent Documentary and Sharing Your Bearings presentations, and filled to capacity events at Dinner Out with Friends, Member Mingles and Beer Tastings, just to name a few.

We have also tried to be sensitive to the needs of our members and have expanded our offerings to include: Spontaneously Speaking for our working members and “spur of the moment” folks; Volunteerism for those members who want to give back to the community while connecting with other BNC members; Educational gadabouts to NCAR, NOAA, Boulder Wastewater facility, the CU Art Museum, and two cooking school (to name a few) and social gadabouts that included an overnight trip to the mountains, a pontoon boat ride and afternoon tea. We have also increased our golfing, biking and hiking opportunities to accommodate different skill levels; and a variety of members have created their own activities including Euchre, Bridge, Knitting and Nordic skiing, that have taken on a life of their own. And to top it off, we recently added, a “new member coffee” to give our newest members an opportunity to meet each other in a small group. These activities, on top of our tried and true activities, have made for a very busy monthly calendar.
The last two years have also brought changes to our website and our newsletter. We not only inform you of BNC activities but opportunities in the Boulder/Denver area. We have also created a BNC Facebook page. And lastly, all of our legal documents have been updated to ensure that we are staying current and meeting the needs of our growing organization. To that end, we have updated our bylaws, updated our tax-exempt status and obtained general liability insurance policy to protect the club’s officers, activity coordinators, hosts and members.

Next year the new BNC Board will take a huge step toward incorporating 21st century procedures. The new Board will be looking into automating the membership and activity sign-up procedures, which will simplify operations for members and make a huge difference in how the BNC does business (Stay Tuned!)

Lastly, at our meeting on March 14, 2017 the Board voted to change our dues structure for individual memberships. Please see pages 6-7, Amendments to the BNC Bylaws, for information about next year’s dues and the commensurate changes in our Bylaws. The BNC is still one of the best deals in town!

I look forward to seeing you at our Annual Membership Meeting on May 3.

Amendments to BNC Bylaws

New Dues Structure for the BNC 2017-2018 Year

At our March 14, 2017 Board meeting, we discussed the following Amendments: We are changing the dues structure for the 2017-2018 fiscal year. Beginning June 1, membership will be on an individual basis with each individual member paying $20 for a year’s membership. Each member will join individually and have one membership vote.

Why is the dues structure changing this year?

Individual memberships will greatly simplify our automation process. Also, with our increase in membership, costs are rising for all of the BNC subsidized activities (holiday party, luncheons, picnic, Meet and Greets, etc.) In addition, we have newly encumbered fees for automation, web services, communications, and out-of-pocket expenses for Board and Activity volunteers.

Paying your dues:

- We will begin collecting next year’s dues at the Annual Luncheon on May 3. Please write a check to Boulder Newcomers Club for $20 per person. (One check for multiple memberships can be submitted.) Please put your check in an envelope and write your name(s) on the envelope as it appears in the BNC directory. Look for the “Next Year’s Dues” basket at the luncheon. Please note that payment for the luncheon and dues payment must be paid separately.
- If you prefer to send in your dues, please send it to Membership Director at BNC, P.O. Box 17074, Boulder, Colorado 80308

Changes to the Bylaws reflecting the change in dues structure:

The following changes will be made to our Bylaws. If you have any questions or comments, please send them to Nancy Erdrich at bouldernewcomersclub@gmail.com by April 10.

- ARTICLE III – MEMBERSHIP - Section 2

  Two levels of membership are available: one member household and two or more member household. One member household shall have one membership vote and two or more member household shall have a maximum of two membership votes.

  Changed to: Membership is on an individual basis. Each member of a household will join individually and will have one membership vote.
ARTICLE III – MEMBERSHIP - Section 6

If an individual who has a one member household membership enters into a couple relationship with a partner who is not living in the same household and would not otherwise be eligible to join the Club, the member may obtain a temporary membership for that partner so that the partner can attend more than two events. The fee for that temporary membership shall be the same as a one member household $20.

ARTICLE IV - REVENUE - Section 1

The Board shall set the dues amount before the start of each membership year. The membership year shall begin on June 1 and end on May 31. The dues shall be payable by June 1. Members who join on or after December 1 shall pay half year dues for the current membership year.
The proposed elected officers to be voted on at the Annual Membership Meeting on May 3, 2017 are listed below. Members who are unable to attend the luncheon/meeting can vote by proxy.

Further nominations of members are welcome and must be sent electronically by April 24, 2017 to Nancy Erdrich, president, at erdrichn@gmail.com or Michele Smith, secretary, at histag82@yahoo.com. The new term of office begins on June 1.

Sharing Your Bearings

Falsely Convicted?

Presenter: Tom Dybdahl

Date: Thursday, April 6

Time: 3:00 p.m. followed by happy hour/dinner at about 5:00 p.m. (Wilson will confirm happy hour details based on responses.)

Location: Boulder Public Library, Main Branch, Boulder Creek Room

RSVP Deadline: April 3, for presentation and/or dinner, to Wilson Wiedenheft (wilsonvicki25@gmail.com)

Ever wonder how prosecutors can manipulate evidence to get a false conviction? Tom has researched and is writing a book about a criminal case that occurred in the Washington, D.C. area in the mid-1980’s. Tom became interested in this case when one of his colleagues at the Public Defender Service told him about it long after the trial. Through the relentless work of a Washington Post reporter, it was found that important evidence was withheld by the prosecution, which pointed to the actual killer, instead of those convicted at trial. The Supreme Court has agreed to review the case this spring, a rare event.

Tom’s manuscript has been completed and is in the process of being edited, and Netflix is developing a documentary on the case as part of a series on false confessions.

Tom has worked in the magazine and book divisions of Rodale Press, as a congressional aide to U.S. Representative Ned Pattison (D-NY), and with the Washington, D.C. Public Defenders Service.

Sushi Zanmai is a Best of Boulder award-winning restaurant which serves a wide range of traditional Japanese cooked dishes (teriyaki, tempura, grilled meats, udon noodles, salads, dumplings) as well as a comprehensive sushi menu. A decade after Boulder received it, the teahouse was finally put together and it opened for business in 1998. Let’s find our TQ, 19 years later, within the walls of this beautiful structure.

The varied menu and exotic tea selection can be found at http://boulderteahouse.com/lunch-entrees/

Evening Book Group

**Book:** “The Invention of Russia, from Gorbachev's Freedom to Putin's War”

**Author:** Arkady Ostrovsky (380 pg.)

**Date:** April 20 at 6:45 p.m.

**Hosts:** Ann and Tom Rounds

**RSVP To:** julianmeyer@me.com by April 17

The breakup of the Soviet Union was a time of optimism around the world, but Russia today is actively involved in subversive information warfare, manipulating the media to destabilize its enemies. How did a country that embraced freedom and market reform 25 years ago end up as an autocratic police state bent once again on confrontation with America? A winner of the Orwell Prize, *The Invention of Russia* reaches back to the darkest days of the cold war to tell the story of Russia's stealthy and largely unchronicled counter-revolution.

A highly regarded Moscow correspondent for the Economist, Arkady Ostrovsky comes to this story both as a participant and a foreign correspondent. His knowledge of many of the key players allows him to explain the phenomenon of Valdimir Putin - his rise and astonishing longevity, his use of hybrid warfare and the alarming crescendo of his military interventions. One of Putin's first acts was to reverse Gorbachev's decision to end media censorship and Ostrovsky argues that the Russian media has done more to shape the fate of the country than its politicians. Putin pioneered a new form of demagogic populism -- oblivious to facts and aggressively nationalistic. *(Product description from Amazon.com)*
Opera

What: Tchaikovsky’s *Eugene Onegin* – a performance of the New York Metropolitan Opera, Live in HD
When: Saturday, April 22 at 10:55 a.m.
Where: Century Theater, Twenty Ninth Street Mall, 1700 29th St, Boulder
Tickets: At Cinemark, Boulder
Where we sit: Around rows P & Q on the left facing the screen
After the Opera: We will gather in the lobby to decide where to go for food and drink.
Contact: Tom Rounds – tsrounds@gmail.com

The Met is presenting Tchaikovsky’s *Eugene Onegin*, an opera based on Puskin’s masterpiece of the same name. Anna Netrebko, one of opera’s most illustrious divas, sings the heroine, Tatiana. If you’ve never heard her sing, you should. Peter Mattei sings the dashing, but ultimately foolish, Onegin. You can read what the Met says here.

Come join us for this spectacular performance.
Wine Tasting

Looking forward to Spring? Think Tuscany!

Date: Saturday, April 22
Time: 6:00 p.m.
Hosts: Fran and Barry Gordon
       Carol and Randy Crow
RSVP Deadline: Saturday, April 15
RSVP To: Trish Jacobs at 2016winetasting@gmail.com

Our hosts are inviting members to their homes to celebrate the return of spring. To do this with an international flair, we will be toasting Spring’s arrival with Italian wines. You will be randomly assigned to one of the two homes, and will receive the name of your host and directions to their home several days before the event.

Historically, most of the red wines in Tuscany were comprised primarily of the Sangiovese grape, and many wines labeled Chianti and Brunello de Montalcino often use Sangiovese exclusively, even today. However, Tuscany is not exclusively Sangiovese or red, and lots of wines blend many grapes to create a variety of pleasing wines. One writer maintains that the changes in wines in Tuscany over the last 30 years are no less than a complete wine renaissance.

You don’t have to have lived in Tuscany to come and enjoy great wine and the company of other BNC members. Please bring an appetizer or dessert, your glass, and your choice of beverage and let’s share some vino and apertivo together.

SALUTI!

P.S. Fran and Barry lived in Siena, Italy for about 1½ years. Now they and the Crows are opening their homes to you so we can welcome Spring together and share an Italian experience.
To save precious centuries-old Arabic texts from Al Qaeda, a band of librarians in Timbuktu pulls off a brazen heist worthy of Ocean’s Eleven.

In the 1980s, a young adventurer and collector for a government library, Abdel Kader Haidara, journeyed across the Sahara Desert and along the Niger River, tracking down and salvaging tens of thousands of ancient Islamic and secular manuscripts that had fallen into obscurity. *The Bad-Ass Librarians of Timbuktu* tells the incredible story of how Haidara, a mild-mannered archivist and historian from the legendary city of Timbuktu, later became one of the world’s greatest and most brazen smugglers.

In 2012, thousands of Al Qaeda militants from northwest Africa seized control of most of Mali, including Timbuktu. They imposed Sharia law, chopped off the hands of accused thieves, stoned to death unmarried couples, and threatened to destroy the great manuscripts. As the militants tightened their control over Timbuktu, Haidara organized a dangerous operation to sneak all 350,000 volumes out of the city to the safety of southern Mali. Meet and Greet

When: Monday, April 24
Where: River and Woods, 2328 Pearl Street, Boulder
What: Happy Hour at 5:00 p.m. / Dinner following
RSVP: By April 14 to Judy and Jeffrey Gass at meetandgreetbnc@gmail.com

Why RIVER AND WOODS?

Since this will be the last Meet & Greet that we are planning, and before we "pass the torch" to your new Meet & Greet directors, we decided to look for an interesting, newer venue. River and Woods opened in September 2016, in the location of a former icon in Boulder, John's Restaurant, that had been closed for about 5 years. We met with Co-Owners Josh Dinar and Chef Daniel Asher and had so much fun at our little meeting that when we were setting a date for the event, they offered to open the restaurant just for us on a Monday night! They are excited to host our Meet & Greet and get to know the Boulder Newcomers Club. Please check out their website and be sure to view Daniel's video at http://riverandwoodsboulder.com/

As always, we will continue our tradition of staggered seating times for dinner. Thanks for always being patient as we sign you in and you choose a seating time! The Happy Hour will begin at 5:00 p.m. with a cash bar and appetizers being provided by the restaurant. Dinner orders will be from their regular menu and HH drink prices will continue until you are seated for dinner. Dinner seating will begin around 6:00 p.m., depending on the number of attendees.

** When responding to us at meetandgreetbnc@gmail.com, we will assume that you are staying for dinner unless you specify otherwise. As in the past, we are trying to accommodate everyone - so to be considerate, please check your calendars carefully and mark the date.

There is ample free street parking and a lot next door that is available at 5:00 p.m.

        The Grace Gamm Theatre

Hosts: Margaret Perez and Grace Yanez

In a Harvard basement office, Henrietta Swan Leavitt maps the night sky, cataloging the stars. Although the task seems endless, she may complete it long before she’s accepted in the man’s world of 19th-century scientific study. And can her studies teach her anything about the mysterious territory of her own heart? Revel in the romance of the universe on this historic journey of love, family, science, and determination.

“The ingredients are simple ... but the result is sheer magic.” (SFGate)

Spring has arrived and things are beginning to warm up, so plan on getting out and including biking as part of your Boulder exploration.

What: Rides are generally on dedicated bike paths or roads with wide shoulders and 15 to 30 miles in length. The rides are somewhat weather-dependent so there may not be much notice. Unless otherwise indicated, we will meet at Scott Carpenter Park (30th and Arapahoe near the children’s play area)

When: An email announcing the ride will be sent to those on the biking list (see below). If we will be riding on gravel paths the email will include this information.

Get on the List: A pre-ride email is sent to all those on the biking list. Add your name by sending an email to Hal Brown – email: hal.brown.tg@gmail.com.

RSVP: Attendance has been sparse so please let me know by email at hal.brown.tg@gmail.com or text at 541 520-5922 if you plan on attending.

Nobody gets left behind, so makes plans to get out and enjoy riding in spectacular Boulder County.
DATES FOR HIKES (April Schedule):

We will continue having our “Saturday” and “Weekday” hikes during April. Great scenery, good conversation and a moderate pace are the order of the day. Hikes range from 4 to 9 miles, however, there are usually opportunities to accommodate those who want to do only a part of a hike.

We will keep in touch with all members of our hiking group with important updates, including any changes due to weather. Once a hike has been chosen, details of the hike, including car pool arrangements, meeting time, etc. will be sent to those on the hiking email list a week or more in advance of the hike. Please let us know if you would like to do only part of the hike and we will try to accommodate your request. If time permits, we try to meet for lunch after our hikes.

CONTACT: Email hikebnc@gmail.com to get added to our hiking email list.

NEXT (HIKING) STEPS: Have a suggestion for a hike? Drop us an email at hikebnc@gmail.com.
Golf

GOLF GROUP MEMBERSHIP: Our golf group includes men and women who like to play golf. Our objective is to have fun – all levels of players are welcome. Please send us your name in an email to bncgolfnow@gmail.com and you will receive all the future notices of upcoming BNC golf outings. The BNC Golf group coordinators are Jeff Gass (jeffreygass19@gmail.com) and Chris Connally (cjconnally@gmail.com). You may contact them directly with any questions you have.

DATE & TEE TIME (April Schedule): Our BNC golf outing will be announced to those who are on the golf email list one to two weeks in advance of our golf date. The email will include the golf course name, tee time, directions and greens fee rates.

The 19th HOLE:
Please feel free to send Jeff or Chris your suggestions. Thanks.
**Movie Group**

The movie group gets together once a month to see a movie and discuss it over a bite to eat. We try to vary the type of movie as well as day and location. If you have any suggestions you’d like to make, please feel free to contact either one of us.

We welcome new members, so if you are not on our mailing list, please send your full name and email address to: Ann Parker at a.parkerann@gmail.com or Barbara Gordon at Barbgordon4@gmail.com. We look forward to seeing you at the movies!
